# SEC<sup>3</sup>URE Passport

IntelliCentrics' **SEC<sup>3</sup>URE Passport** has set the new standard for what it means to be a trusted member to do business with healthcare facilities. Not only does it give subscribers access to more than 11,000 facilities worldwide that use the SEC<sup>3</sup>URE Ethos platform, it also includes some of the best innovations in the industry that make compliance easy for subscribers.

## SEC<sup>3</sup>URE Passport comes with:

### SEC<sup>3</sup>URE GO! e-badge

SEC<sup>3</sup>URE Passport subscribers can experience fast and contactless check-in, and their trusted status is visibly displayed on the digital badge.

### SEC<sup>3</sup>URE Link service

SEC<sup>3</sup>URE Passport subscribers can request and be scheduled for meetings via this service. It replaces whiteboard scheduling in the OR and enables real-time communications.

### SEC<sup>3</sup>URE online portal

SEC<sup>3</sup>URE Passport subscribers can manage their credentials easily on the new portal built to improve efficiency and navigation.

### 24-Hour Credential Processing

Our dedicated team of customer support Heroes process new credentials fast, so SEC<sup>3</sup>URE Passport subscribers always stay compliant.

## When you have a SEC<sup>3</sup>URE Passport...

- + **You receive instant policy updates.** Our intelligent workflow collects, processes, and verifies credentials for you, always in compliance with your facilities' latest policies and requirements.
- + **Your compliance is portable.** We provide real-time monitoring of your SEC<sup>3</sup>URE Passport. Non-compliant individuals will be notified immediately to update credentials before their next appointment, be it onsite or virtual. Compliant individuals gain trusted status to visit all SEC<sup>3</sup>URE facilities without having to be re-credentialed.
- + **You get the boost to do your job well.** Compliance aside, all these innovations are designed to help you save time, increase revenue opportunities, and/or protect reimbursements.
